PROFESSIONAL EXPERIENCE

Coder Foundry, Web Software Engineer

Kernersville, NC · 2020 – 2021

- Developed multiple virtual and self-paced coding projects including:
 - A portfolio site using C#, MVC, HTML5, CSS3, BOOTSTRAP, JS & jQuery.
 - A Financial Portal implemented in multiple phases including an MVC Web Application written with .Net Framework and a Web Service that utilizes Swagger and Swashbuckle for integrated testing.
 - Fully designed and developed a multi-functional issue tracker web application, implementing enhanced roles & security, which also used a Code First Relational database designed and modeled in SQL Server. Technologies used include: .Net Core, MVC5, C#, LINQ, SQL, Entity Framework, jQuery DataTables.

Alex Lynn Behavioral Consultation, International Consulting Specialist

Dubai, Doha · 2018 – 2020

- Mentored 9 Applied Behavior Analysis graduate students and edited dissertations at universities and clinical settings in Ireland, Nigeria, Canada, and United States. Resulted in 100% pass rate for supervisee thesis defense and 100% successful board certification.
- Created ethics committee to review current research topics within field, best practices for service delivery, and peer review for challenging cases; led to improved documentation and clinical services for 80+ clients in 5+ centers.
- Presented series of parent and paraprofessional training workshops for 55 attendees, utilizing QR code scanning technology to track performance, resulting in >60% improvement in functional behavioral methodology skill-set.
